

WHY DO I HAVE TWO DIFFERENT ACCOUNTS?

["yourusername"@coos-bay.k12.or.us](mailto:yourusername@coos-bay.k12.or.us)

- Primary Account for district communication
- Logging into Windows workstations
- Access full suite of Office products online
- OneDrive – All of your district files are synced online and accessed from anywhere (see other document for instructions)
- You can access your cbk12.com Google account through the Chrome browser

G Suite for Education

["yourusername"@cbk12.com](mailto:yourusername@cbk12.com)

- Account used for accessing the G Suite for Education
 - Google Classroom
 - Google Hangouts Meet
- G Suite is a supplemental source for staff and the primary account for students
- You must use this account if logging into a Chromebook
- This account is used for all Google resources
- While signed into a Chromebook you can still access Office 365 resources through the web browser
